NEW HAVEN STREET GUIDE.

EXPLANATORY NOTES.

In the Street Guide residences and places of business are designated by their street number, and are arranged in numerical order.

Names are given of all in business and householders.

The streets are arranged in alphabetical order and the intersecting streets are given at the proper number where they intersect. In cases where no intersecting number could be given the street inter-

In cases where streets are not numbered the householders are arranged in alphabetical order, and on streets which are partially numbered and there are houses that have no numbers, those residents having no numbers are arranged alphabetically following those that have numbers.

A dash (—) signifies that no number has been assigned. The abbreviation r between the street number and the n
